

COMOPTEVFOR

Rear Admiral David Dunaway
"Decoy"
25 JAN 11

Testing Version of Serenity Prayer

- Grant me the serenity to accept Virtual and Constructive testing

- Courage to do live flight test

- Wisdom to know the difference

Complex World

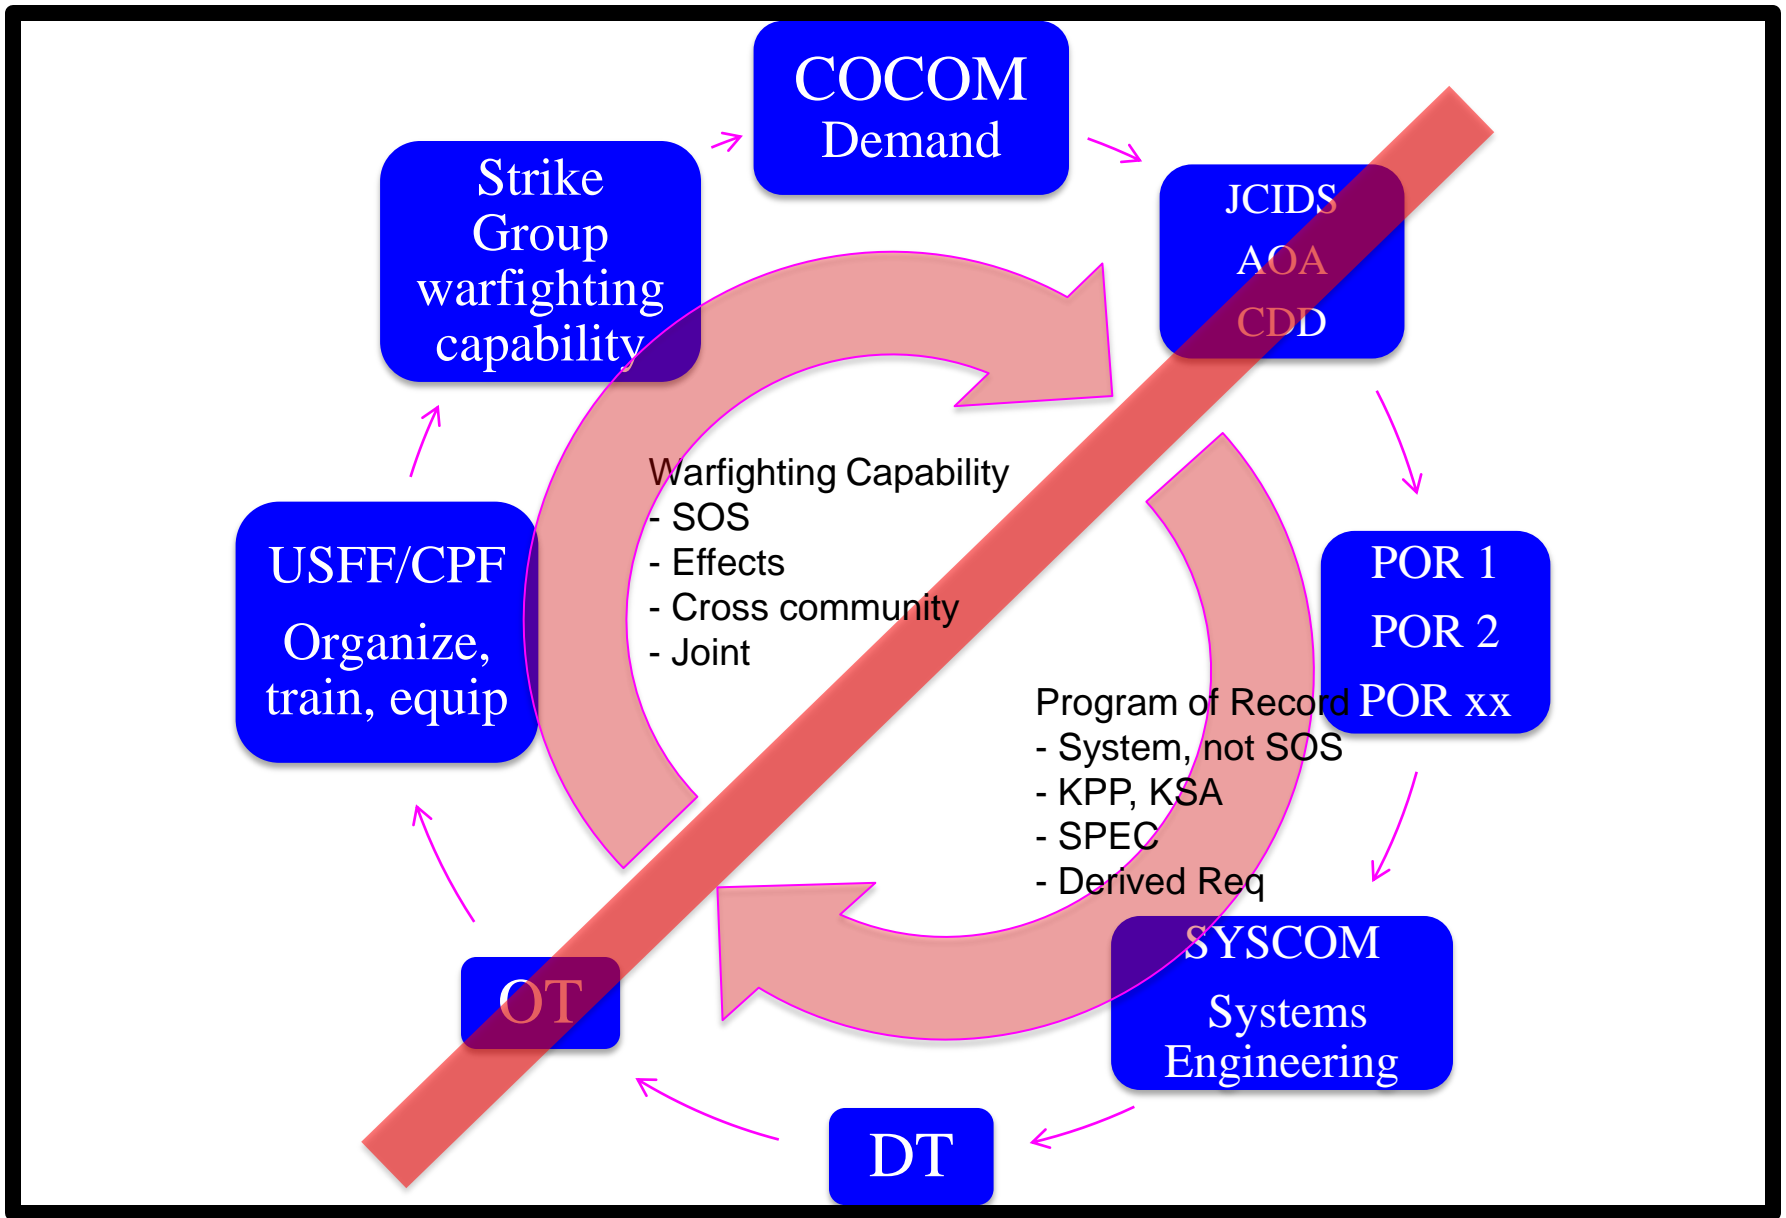

- *Systems are more sophisticated*

- *Threats more difficult*

- *Expectations much higher*

Capability to Acquisition Mismatch⁴

New Approach to Old Problems

- Capability focus to all OT
 - Mission Based Test Design
 - Integrated Evaluation Framework
- Minimum but adequate testing
 - Clear traceability to requirements
 - Adequate determination
 - Statistical confidence
 - Demonstration
 - Simulation
 - Large force exercise
- Closer ties to SYSCOMs
 - System under Test
 - System of systems
 - Capability reporting
