

International Test and Evaluation Association
31st Annual International T&E Symposium
"T&E to Achieve Better Buying Power"

Policy Impacts on T&E Execution and Infrastructure

Mr. Bruce Bailey
Deputy Director, T&E Range Oversight
Test Resource Management Center
October 8, 2014

Mr. Hinton has entered a period of Mourning.....

Not since the Johnson Administration has Alabama lost to Ole Miss!!!!!!!!!!!!!!!!!!!!!!

Panel Members

- **Mr. Gerry Christeson**
 - *Deputy Director, Test Capabilities Development
Test Resource Management Center, Alexandria, VA*
- **Dr. Ed Kraft**
 - *Chief Technologist, Arnold Engineering Development
Complex, Arnold Air Force Base, TN*
- **Dr. Andy Hesketh**
 - *Lab Test Value Stream Leader, Global Strike, Boeing
Test and Evaluation, St. Louis, MO*

Looking forward to your questions...

Policy is a matter of interpretation....

A PM asks a Tester....

"Could you please go shopping for me and buy one carton of milk, and if they have eggs, get 6!"

A short time later the Tester comes back with 6 cartons of milk.

The PM asks...

"Why the heck did you buy 6 cartons of milk?"

The Tester replied, "They had eggs."

Policy Impacts on T&E Execution and Infrastructure

- **Drives T&E Execution:**

- TEMP content
- TEMP schedules
- Professional Workforce

- **Drives T&E Infrastructure:**

- MRTFB Composition, Sizing, and Usage
- Where testing is done

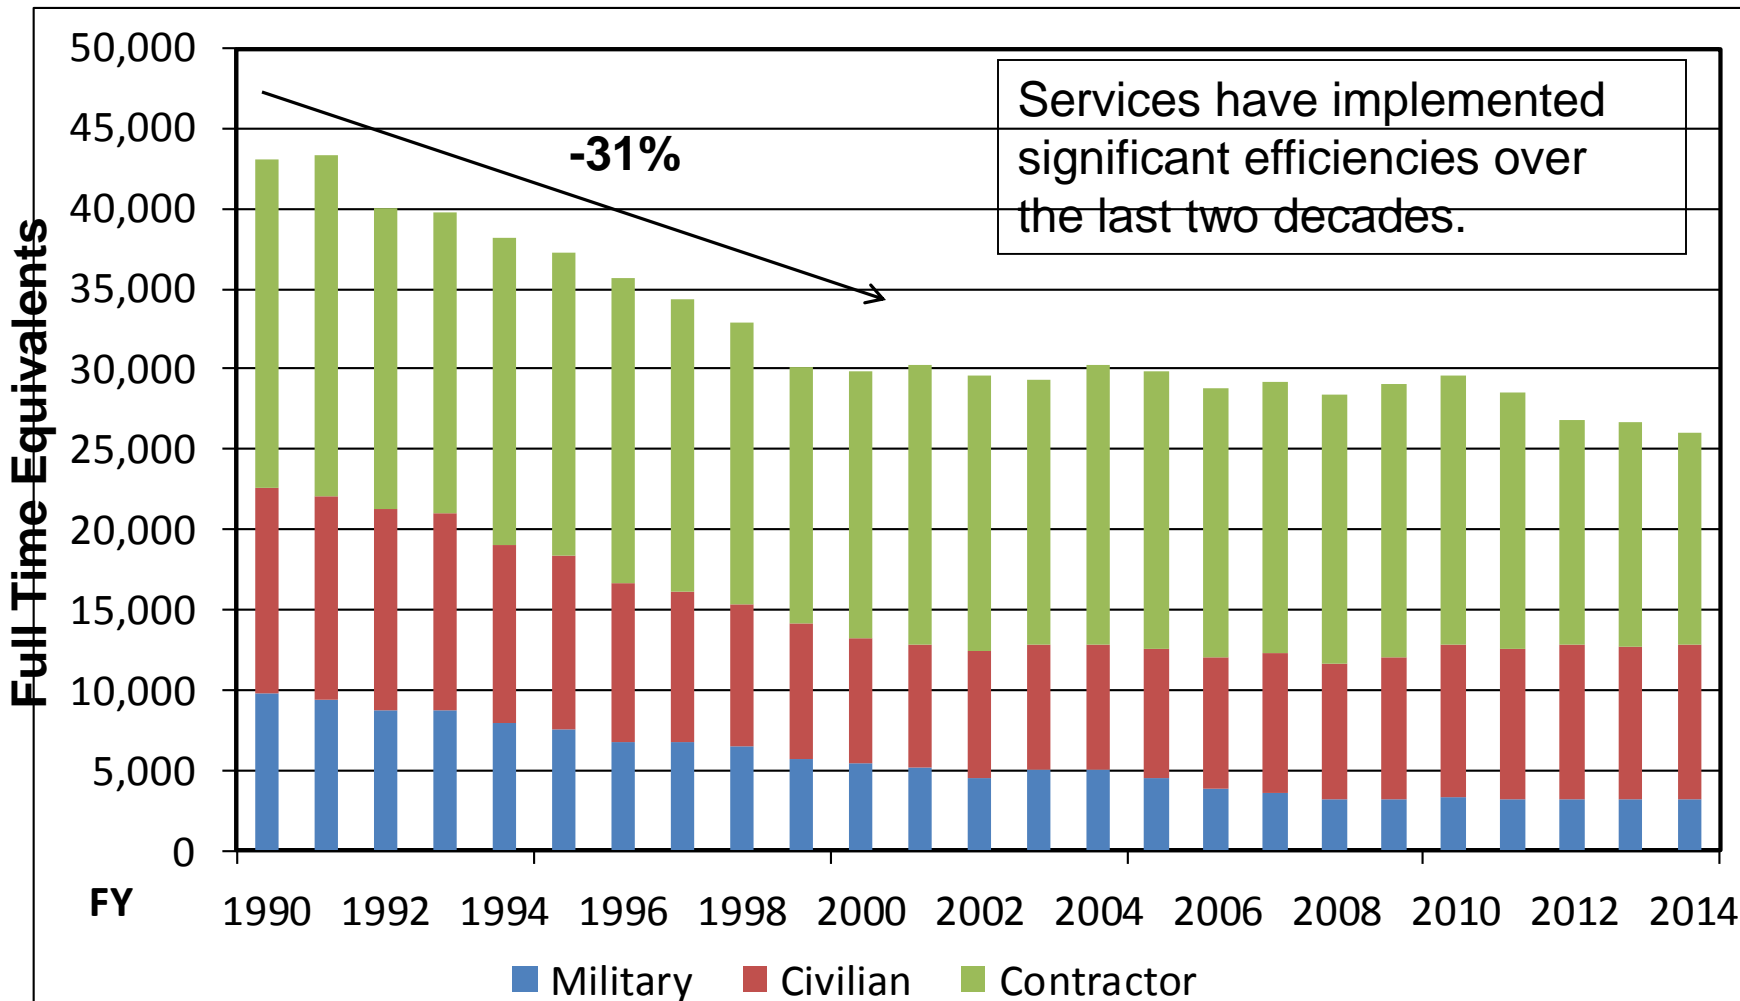

- **Drives Range Sustainability:**

- Spectrum Initiatives
- Renewable Energy

***“Policy”
Defines our
Products and
our
Processes***

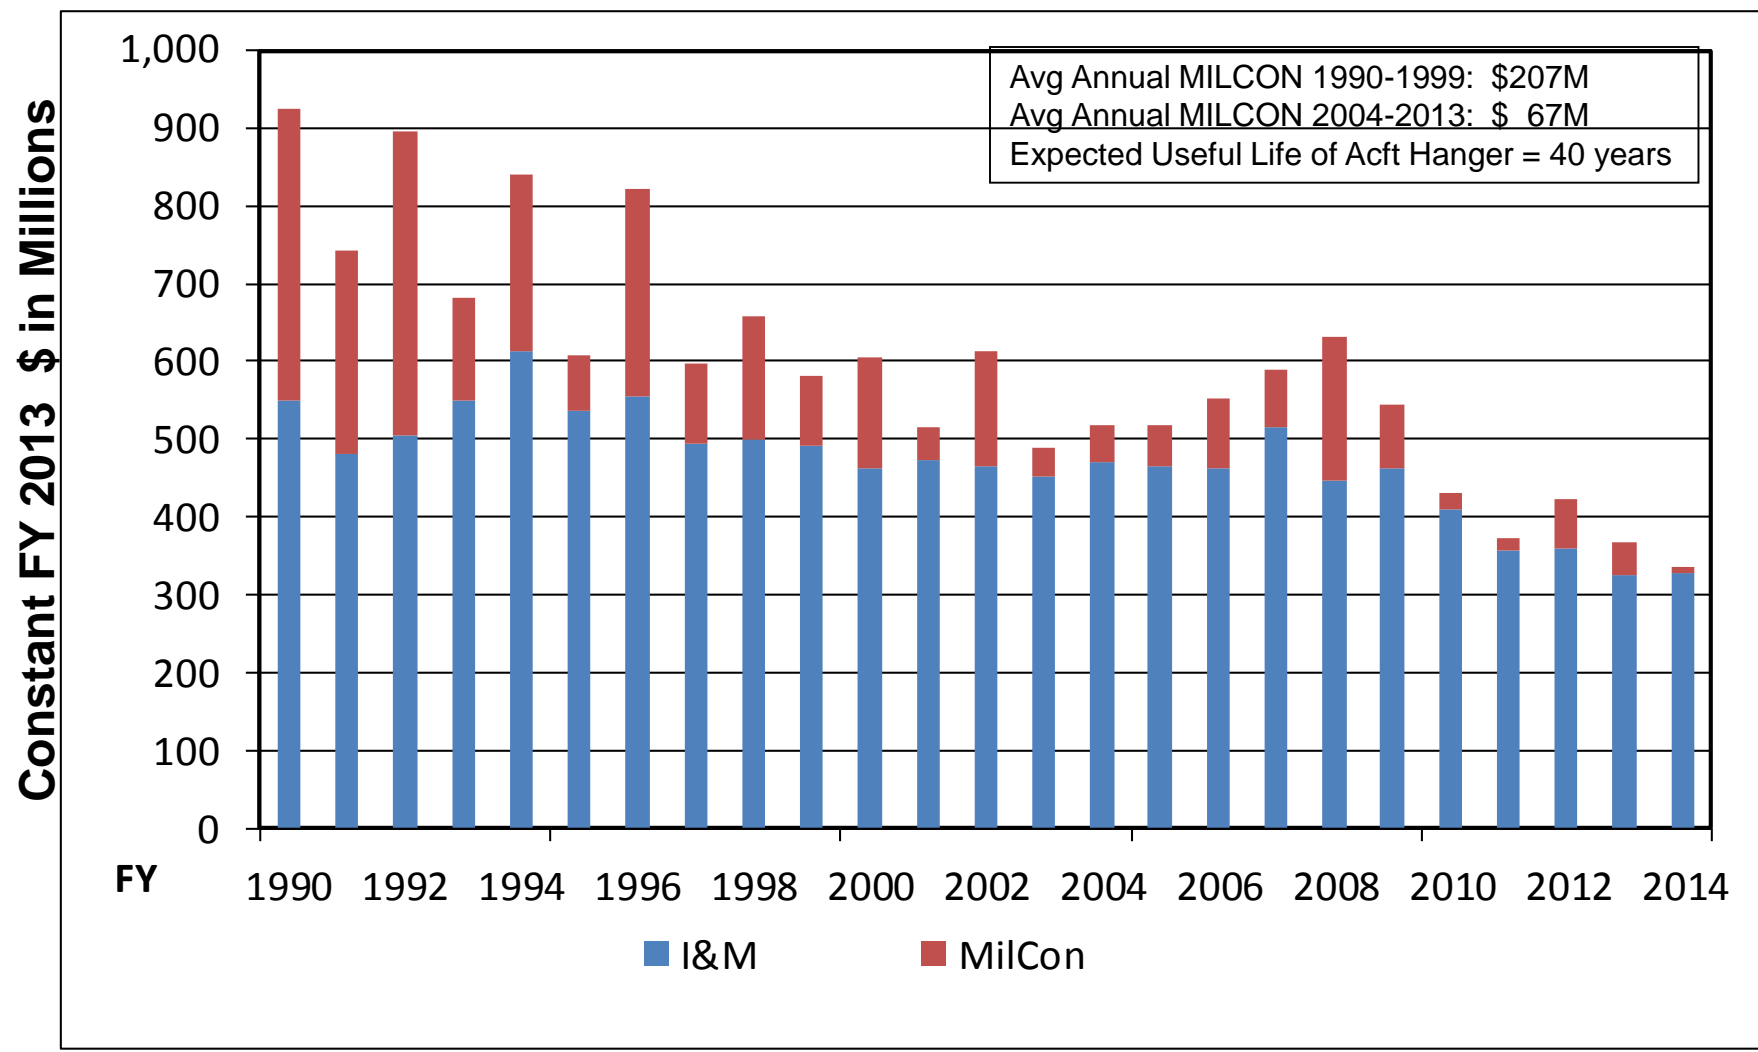

Trends in Total MRTFB Workyears (Normalized, Institutional + Direct)

NOTE: Does not include T&E personnel outside of MRTFB (e.g., Redstone Arsenal, Navy Working Capital Fund non-MRTFB, etc.)

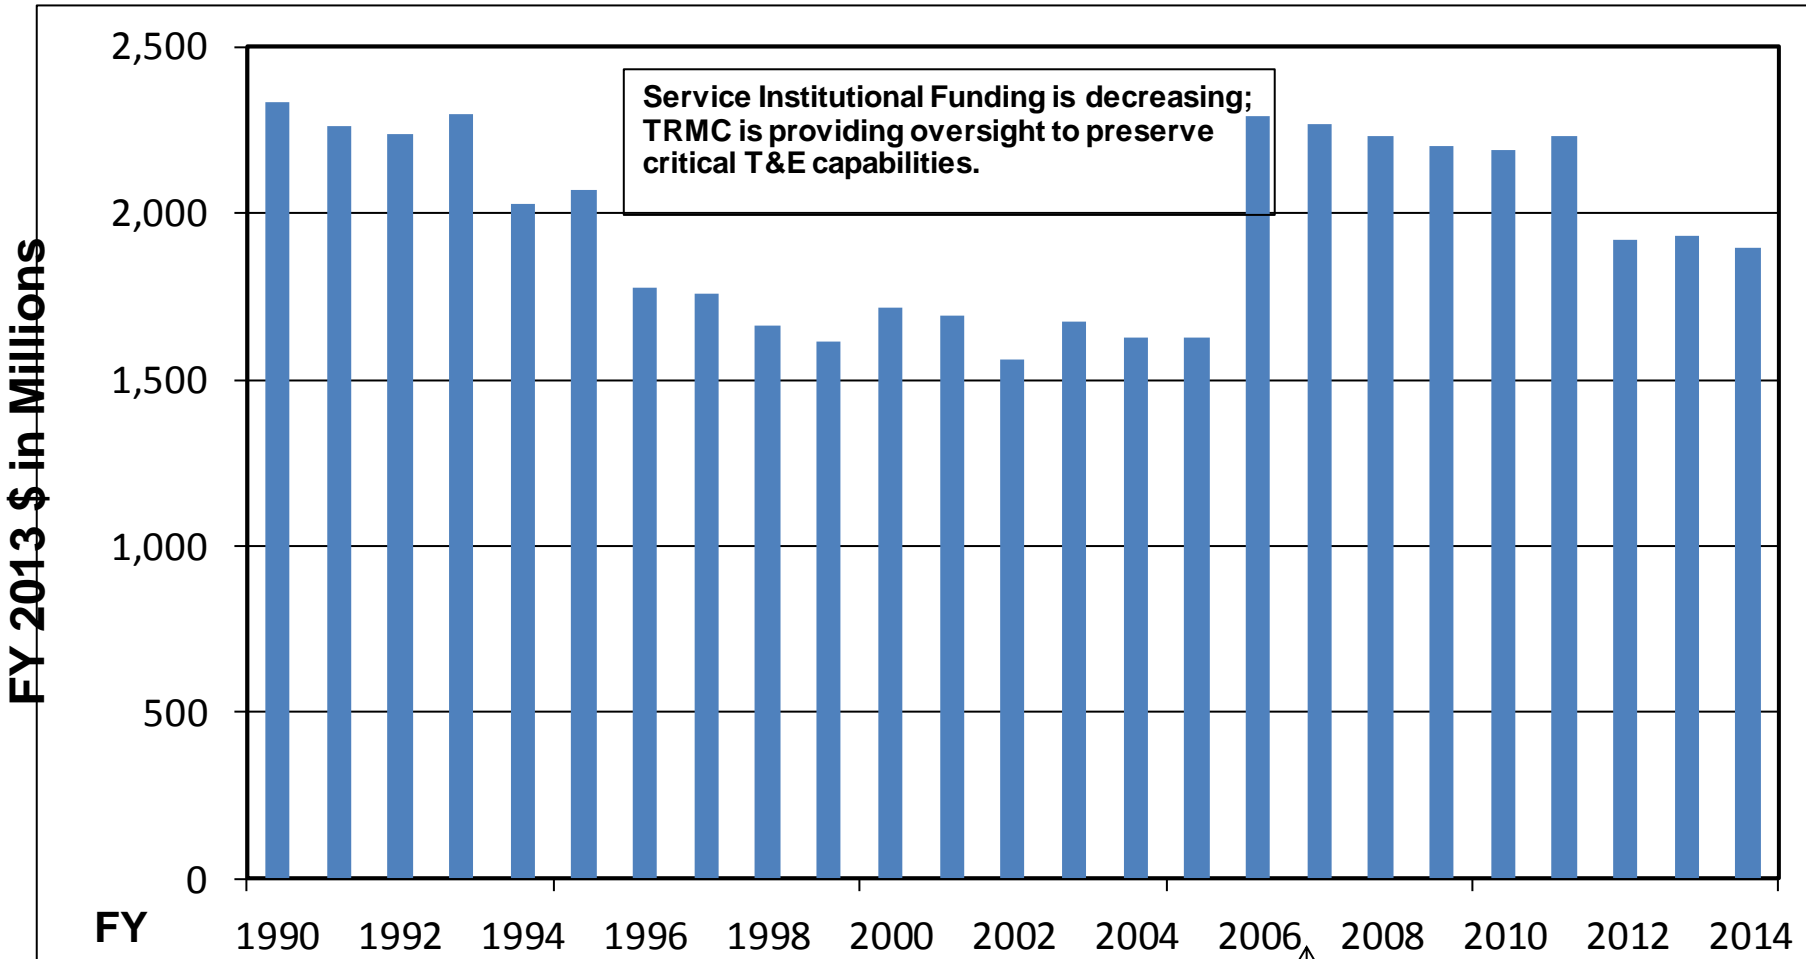

MRTFB Investment & Modernization Funding (Normalized)

MRTFB Institutional Funding (Normalized)
