

KNOW B4 YOU GO

AI in Test and Evaluation Forum, *Accelerate Testing in the Digital Age for AI Enabled Systems*

Date: Tuesday, March 26, 2024
Time: 8:30 AM Registration Opens | 9:30 AM Program Begins | 5:30 pm Program Concludes
Location: The Booz Allen Hamilton, Helix Innovation Center
Lobby behind glass doors
901 15th Street, NW
Washington, DC 20005

Expectations

We will be hosting an intimate gathering of about 100 - 120 attendees at this inaugural AI Forum with the intent to address the use of AI in Test and the major challenges and opportunities in T&E when testing AI.

After the Forum, we will draft a Call for Papers to the T&E community based on the outcome of this event and once vetted, the solutions offered will be presented throughout the various upcoming workshops:

1. Test Instrumentation Workshop [May 15-17, Las Vegas, NV]
2. Multi-Domain Operations Workshop [July 17-18, Alexandria, VA]
3. Cybersecurity Workshop [September 18-19, Orlando, FL]
4. Annual ITEA International Symposium [November 5-7, Huntsville, AL]

In Advance

Pre-Registration a Must

We will need to have you registered in our system to gain access to the facility. If you know of anyone who has not registered yet, please have them do so ASAP.

The Helix Protocol

A few days prior to the event you will be contacted by email to confirm your attendance and Citizenship. This will come directly from the Helix Innovation Center, please respond to their request.

Attire

Business attire is requested.

Upon Arrival

Parking and Metro

We ***Strongly Encourage*** you to avoid parking at The Helix. Parking at the office building is limited and extremely difficult to navigate. We would urge you to **Uber/Lyft/Taxi** or take the **Metro** (The Helix is 1 block from McPherson Square station and Farragut North station is a short walk (0.4 miles). *If you decide to take the chance at parking*, the information can be found on the ITEA website, including fees and directions. Also note: IMAPRK garage charges an additional \$35 hour after 7:00PM. This is also the week of the **Cherry Blossom Festival and Spring Break** – Plan on additional DC traffic above and beyond the usual.

Agenda At-a-Glance

The doors do not open until 8:30, please arrive promptly – we only have a short time to get everyone seated.

8:30 AM – 9:15 AM	Pick up your badge [Coffee and a light fare will be available]
9:20 AM – 9:30 AM	Welcome from Helix and Welcome Erwin Sabile , AI Forum Co-Chair
9:30 AM – 10:00 AM	Keynote Speaker, Dr. Kimberly Sablon , Principal Director for Trusted AI and Autonomy, USD (R&E)
10:00 – 10:15 AM	Break
10:15 – 11:30 AM	PMO Panel
11:30 – 11:40 AM	Break
11:40 – 1:00 PM	Test Agencies Panel
1:00 PM – 2:00 PM	Networking Lunch [to include ITEA Announcements]
2:00 PM – 3:30 PM	Test Ranges Panel
3:30 PM – 3:45 PM	Break
3:45 PM – 5: 15 PM	Cyber Agencies Panel
5:15 PM – 5:30 PM	Summary. Capture Call for Paper.
5:30 PM	Program Concludes (no reception)

Notables – Photos and Recording

- We plan to take pictures at the event, if you prefer your photo not to be taken, please advise us in advance.
- We plan to record the AI Forum to be used as springboard for future discussions, collaborations, and potential solutions.

About ITEA <https://itea.org/about-itea/>

ITEA is a nonprofit education association established in 1980 to advance the exchange of technical, programmatic, and acquisition information among the test and evaluation community. ITEA members come together to learn and share with others from industry, government, and academia, who are involved with the development and application of the policies and techniques used to assess effectiveness, reliability, inter-operability, and safety of existing, legacy, and future technology-based weapon and non-weapon systems and products throughout their lifecycle.

This Forum is hosted by the George Washington and Hampton Roads Chapters of ITEA and will further the local Chapters Scholarship program for deserving students in the local area.
